Alcohol Service Now Available on Gaming Floor at Chinook Winds Casino Resort.

Lincoln City, OR – Chinook Winds Casino Resort is now serving alcohol on the gaming floor as of 9am Monday June 15. This new venture came after an overwhelming majority vote of the Siletz General Council on May 4, 2009 in favor of the action. “Alcohol service has been a request of our guests for a while so we are thrilled to offer them a full service experience” said Sar Richards, Interim General Manager. Being able to offer this additional service places the casino operation in a more competitive position in the entertainment, convention, and tour and travel industry.

Service of alcohol will be available from 9am to 2am Sunday through Thursday and 9am to 1:30am Friday and Saturday. Alcohol will be available for purchase on the first floor main gaming area to include all slot areas, non smoking, table games and the high stakes area. “Executive Management knows the importance of training programs for casino team members and has trained all frontline staff and management whether they will be serving alcohol or not. We don’t take our responsibilities lightly and are going above and beyond state regulations to make this transition the best it can be for our guests and employees”, said Richards.

Chinook Winds Casino Resort, located at 1777 NW 44th St. on the beach in Lincoln City, is owned and operated by the Confederated Tribes of Siletz Indians. Enjoy 24-hour Las Vegas-style gaming, 18 hole golf course, headline entertainment featuring some of entertainment industry’s most legendary performers, three full service restaurants, secure childcare facility and arcade, and a 227 room ocean front hotel.
