LINCOLN CITY, Ore. –Overlooking the Pacific Ocean, Chinook Winds Casino Resort offers scores of amenities enjoyed by locals and tourists alike. Owned and operated by the Confederated Tribes of Siletz Indians since 1995, Chinook Winds Casino is open 24 hours every day of the year, offering bingo, keno, poker and more than 1,250 video slots. Table games include blackjack, craps, roulette and poker. The décor at Chinook Winds Casino Resort captures the spirit of the Siletz Tribe. The casino lobby features a flowing waterfall designed with boulders from Euchre Creek, a significantly important area to the Siletz Tribe. Here wishers can toss in coins for good luck and make a contribution to the Tribe's educational fund. The rounded exterior trimmed in a weave pattern gives tribute to the tribe's traditional basket weaving techniques. Salmon decorate many of the interior and exterior areas, an appreciation to the fish that plays a special and important role in the history of the Tribe.

To offer Chinook Winds guests a more convenient visit, there is a 227 room oceanfront hotel located adjacent to the casino. Most of the rooms and 61 suites feature a panoramic view of the breathtaking Oregon beach and Pacific Ocean. The property includes heated indoor swimming pool, spa and sauna, and suites that include a gas fireplace, an ocean view balcony, wet bar, VCR, microwave and refrigerator.

Right around the corner is Chinook Winds Golf Resort and Aces Bar and Grill. This 18 hole picturesque course has everything for the amateur golfer to enjoy. There are long challenging and then short precise holes for all levels of play. Before you play, warm up in the indoor driving range next to our full service pro shop. A full service fitness center with steam rooms and racquetball courts is located adjacent to the pro shop. Or get some sun in the tanning bed while you wait for your tee time.

Known for the best entertainment on the Oregon coast, the Concerts by the Sea showroom features monthly performances by top entertainers in a variety of genres.
